"Hobo" Rides The C & O

"Hobo," a friendly, nonpaying passenger is shown with one of his new friends, outside the Gladstone train station watching the Number 94 Manifest Freight being readied for a 5:45 departure last Thursday. This is "Hobo's" first trip to Gladstone in about two years, according to Car Inspector Christian Carter, of Gladstone. The dog has a Richmond owner, but spends most of his time touring the country — has been to New York, Pennsylvania and Florida. He likes to "work the trains," says Carter, and will bark if the cars in the yard fail to couple properly. After several short trips, "Hobo" made his final departure Friday evening, and was later reported in Richmond.

Our Country — A Pledge Of Loyalty

The Appomattox High School band, standing in the background at right plays the Star Spangled Banner as Tony Mann and John Harrison, both seniors, lower the old flag and raise the new one in a special ceremony held Wednesday morning, May 8. The Beta Club presented Appomattox High with a 50 star flag for the stage and one for the flag pole on campus. Mrs. Grey Holland is club sponsor. Principal Church:s told the student body: "Each morning when we pledge allegiance, let us renew our pledge of loyalty." He quoted Stephen Decatur, naval officer of the War of 1812, who said, "In her intercourse in foreign nations may she always be in the right: but our country, right or wrong."

The community was shocked Friday to hear of the death of Herman T. Marsh, of Norfolk, who was in a hospital there. Many attended the funeral at Gladys Saturday afternoon. Sympathy is extended the Marsh families.

Drought Affects Early Hay Field

Farmers will want to plan now for next winter's feed supply. The unusually dry spring has severely cut yields of early hay. This reduction in yields will affect most owners of livestock.

Silage will become increasingly important this year. While there is time for planting corn, farmers are urged to consider additional corn acres for use as silage. This could well be the principal source of feed this winter. Silage can be stacked under plastic or horizontal silos, above or below ground. One of these three ways would be the cheapest means of storing.

Rev. Beeryman Guest Speaker At Galilee Baptist Church

The Rev. Everette Beeryman will be the guest speaker at the annual Mens' program at the Galilee Baptist Church this third Sunday evening at 7:30. He will be accompained by the Mens' chorus of his church. The literary program will be given by the men of Galilee Church. Greetings will be given by Men's clubs of several local churches. The public is cordially invited to attend.

TOTAL PERFORMANCE:

FORD GALAXIE 500/XL SPORTS HARDTOP

IF YOU KNEW WHAT TINY LUND KNOWS ABOUT FORD DURABILITY...YOU'D BE OUT ENJOYING A '63 FORD

Ask Tiny Lund about Ford durability: He'll tell you how it helped him win America's toughest stock-car competition, the Daytona 500. Lund placed first in a Ford, with four other Fords right behind him for an unprecedented sweep of the first five places. Only the Fords were tough enough to stand the pace.

Greater durability is the reason Ford is able to offer a total-car warranty. Only a true total-performance car could offer as complete a warranty as this—with no strings attached:

"Ford Motor Company warrants to its dealers, and its dealers, in turn, warrant to owners as follows: That for 24 months or for 24,000 miles*, whichever comes first, free replacement, including related labor, will be made by dealers of any part with a defect in workmanship or materials. Tires are not covered by the warranty; appropriate adjustments will be made by the tire companies. Owners will remain responsible for normal maintenance services, routine replacement of parts, such as filters, spark plugs, ignition points, wiper blades, brake or clutch linings, and normal deterioration of soft trim and appearance items."

You can't put a long-term warranty like ours on a short-term car. The '63 Fords have a better warranty because they're built better than any Fords in history. You see evidence of this extra toughness in Ford's outstanding competitive wins this year.

'63 Fords won the grueling Daytona, Riverside, and Atlanta 500's, and the demanding Pure Oil Performance Trials. Only cars with total performance could roll up so many big wins.

Before you buy any new car, test-drive the solid, silent Super Torque Ford. If you haven't driven one lately, you can't really know what a new Ford is like. Remember: **If it's built by Ford, it's built for performance . . . total performance.**
